Rapids Flood Team LLC is enrolled in the Simplified Acquisition Program of US Federal Contractor Registration (USFCR).

Mitigation, Construction, Remediation

"WE MATCH-TRADE EXPERIENCE WITH GREAT WORKMANSHIP, TO EQUAL SATISFACTION!"

Rapids Flood Team, LLC, services a large group of commercial and government entities nationwide and internationally. We specialize in mitigation, remediation, and construction services, with ten years of experience in handling all projects for our commercial-based clients and vendors. We follow a strict protocol process for all our projects, which includes a maintained list of industry required licenses, certifications, and qualifications in an attachment to services we provide.

Our mission

To match-trade experience with great craftsmanship, to equal satisfaction.
